

Community Care of Central Wisconsin

Staff Update

To: Long Term Care Staff in Marathon, Portage, and Wood Counties

From: Kate Norby, CCCW Project Coordinator

Date: April 5, 2007

As you may have already heard, Marathon, Portage and Wood Counties have agreed to move forward with tri-county Family Care expansion planning. The three County Boards unanimously passed resolutions approving Community Care of Central Wisconsin's Intergovernmental Agreement and have each appointed three members to serve on the new CCCW Governing Board (two County Board Supervisors and one member representative). CCCW Board Appointees are:

- Ken Day, Marathon County Board Supervisor
- Keith Langenhahn, Marathon County Board Chair
- Tom Pitcher, Marathon County Member Representative
- Jim Clark, Portage County Board Supervisor
- Lonnie Krogwold, Portage County Board Supervisor
- Janis Ribbens, Portage County Member Representative
- Patricia Arnold, Wood County Board Supervisor
- Peter Hendler, Wood County Board Supervisor
- Wood County Member Representative to be determined

This first meeting of the Board is scheduled for April 24, 2007 at 10:00 AM at the Central Wisconsin Airport, Conference Room A. Initial meetings will be used to educate new members about Family Care and the expansion planning that has been taking place during the last year. Once everyone is up to speed, the group will turn its attention to operational objectives of the new organization.

I am currently seeking pictures for the CCCW website. I'd like to get a few great shots that represent members from each of the three counties. If any of you have pictures of members or potential members that you think are captivating and that we can get permission to use, please let me know.

As always, if you have any questions or comments, feel free to contact me anytime.

Regards,

Kate
